McDonald Park Primary School will be hosting a Growth and Development Family Evening on Tuesday, 22 March 2016.

The sessions are conducted by Kidz Biz Education and are designed to be fun, informative and easy to understand. These highly interactive sessions will provide students and their parents / care providers with an introduction to basic personal and social development education; traditionally known as “facts of life”. By all means, sessions will be facilitated in a manner that is not conducive to an awkward or threatening environment.

There will be two sessions run on the evening and the topics covered in each are:

Session 1: ‘Where Did I Come From’ (suitable for reception to year 4 students)
- Myths about where babies come from
- The 9 months of foetal development
- Conception
- The birth process

Session 2: ‘What’s Happening To Us’ (suitable for year 5 to 7 students)
- Puberty (physical and emotional)
- Parent issues
- Body image and media influences

The duration of each session will be approximately 50 minutes:

Session 1: commencing at 6.40pm and concluding at 7.30pm
Session 2: commencing at 7.40pm and concluding at 8.30pm

At the end of each session, a list of recommended and age appropriate books for both students and parents will be provided as well as the details of a recommended retail outlet offering books at discounted prices (arrangements exclusive to Kidz Biz Education only).
