

KITCHEN GARDEN WORKING BEE

STEPHANIE ALEXANDER

McDonald Park School will be hosting a **working bee** to give our garden some much needed attention before the school holidays. We will be tidying up the garden paths and garden beds in preparation for the summer break. If you are able to assist, please come along to the garden on **Sunday, 3rd December from 10.00am to 12.30pm.**

If you have any secateurs, pruners, spades or garden equipment that might be helpful as supplies at the school will be limited. If you have any questions or would like any further information, please contact Laura Britten 8724 9811.

✂.....

I/we are able to help out at the Stephanie Alexander Kitchen Garden working bee.

Name/s: _____ Child's name: _____

I am able to bring the following tools: _____
