- ✓ individual self esteem
- ✓ a positive image of our schools in the wider community
- ✓ a sense of security for all students.

POLICY STATEMENT

- The Dress Code Policy was drawn up after consultation with parents, students and staff. It has been endorsed by the Governing Council as a code of dress for all students attending M^cDonald Park School.
- All items of the dress code that can be interchanged are acceptable eg green windcheater for polar fleece top or plain red polo top for top with school logo.
- Students in the school follow a number of different codes of conduct as part of the school community. The dress code fits within these and we seek parent support in upholding this code, as we do with others.
- Wearing the schools' dress code eliminates inequality and unnecessary competition, and provides good training for future life and careers.
- At no stage will students be educationally disadvantaged for not adhering to the dress code.
- The principles of the dress code are in accordance with Education Department regulations that came into effect from January 27th 1994.
