Issue No 19, 16/11/2023 - Week 5, Term 4

OPPORTUNITIES AT McPark

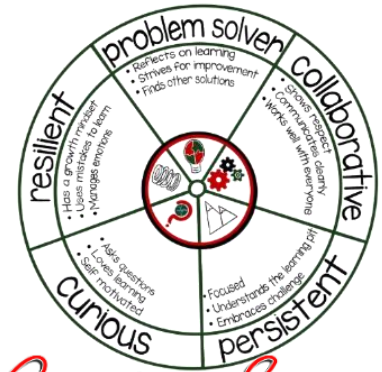

At McDonald Park School we have loads of different fun activities and programs. First of all we do musicals. Musicals are super fun because every class needs to learn a dance in the musical PLUS when you get to year 5 or 6 you are able to take on a character role.

In year 6 there is an opportunity to become a student leader. Some of the roles are Ambassador, Team Captains, Promotions/Events, Environmental committee and SRC leaders. You will see them helping out at all assemblies and school events

On top of all of that the school provides opportunities for camps, excursions, school swimming, kitchen/garden lessons, Lions Mad Minute and multiple sporting events including sports day! I have loved learning and growing with McDonald Park School.

Ariana, 2023 Ambassador

Youth Environmental Leaders Program (YELP)

Day out in Robe

In week five the student leadership Environment Group went on an excursion to Robe. We met high school students from the LCYEC, who talked about what it's like to be in the YELP in high school. They also talked about some of the cool activities that they do. We also met other leaders from other schools. We did three activities, the first one was learning about the Indigenous South East seasons and we learnt how to light a fire.

The next activity we went to was the estuary to do the magic spot. You find a spot and calm down and stay quiet for about 10 minutes.

Our last activity was our presentations, where we showed other schools our project. This included painting birds and putting them on the slopes, bread bag recycling and spot lights at assembly. We want to thank Damien and Vanessa at the Limestone Coast Landscape Board for creating this opportunity for us.

Dakota, Jayla, Logan, Maddy & Neesanok.
